### Why Provide Travel Insurance to Employees?

The answer is easy. International travel involves risk. An employee may arrive at their destination to find that his or her luggage containing personal or work-related items has disappeared. A personal emergency may necessitate early return to his or her Home Country. A medical emergency may require hospitalization or even air evacuation. In most cases, existing insurance will not provide adequate protection for these and other risks. Without appropriate travel insurance, your employees may lack adequate health care and be in jeopardy of significant financial liability. MultiNational Underwriters® can't take the risk out of international travel, but if the unforeseen happens, we will be there to help.

### How do I Obtain a Proposal?

Complete and return the attached Request for Proposal form to MultiNational Underwriters® by fax at 317-262-2140, or by mail at:

MultiNational Underwriters®  
251 North Illinois Street, Suite 600  
Indianapolis, Indiana 46204

You will then receive a daily rate based on the estimated annual travel and location of the company. To purchase a policy at the rate provided, an application would then need to be completed and submitted. Once your application has been approved, a personalized online Account Management System will be created. There you will be able to assign purchased days to employees and review account information. A minimum purchase of 100 days is required to begin an Atlas Corporate account and all days are valid throughout a 1 year policy period. A policy period begins on the Effective Date requested on the corporate application and lasts one year.

### Who is Eligible for Atlas Corporate Travel?

Any employee who is traveling outside of his or her Home Country and is under 66 years old is eligible for coverage. Dependents and guests of the employees are also eligible for coverage, provided they meet the same eligibility requirements as the employee, with the approval of the company. The Overall Maximum Limit ranges from \$50,000 to \$1,000,000, and the deductible options range from \$0 up to \$2,500. The maximum coverage period is 12 months.

### When Does Coverage Become Effective and When Does it End?

Your coverage becomes effective on the latest of: the moment we receive the employee's online Enrollment, or the moment of departure from his or her Home Country. Coverage will end on the earliest of: 12:01am\* on the last day of the period for which the employee was enrolled or the moment of return to his or her Home Country (unless a Benefit Period has begun).

\*Times expressed above are based on US Eastern Standard Time

### Does Atlas Corporate Travel Provide any Home Country Coverage?

Yes. Atlas Corporate will provide limited Home Country Coverage during a Benefit Period. A Benefit Period begins on the first date a diagnosis or treatment of a covered Illness or Injury is received while outside his or her Home Country, and lasts for 180 days. If a Benefit Period has started while this insurance was in effect, the employee is covered only for Medical expenses related to the same covered Illness or Injury for the duration of the Benefit Period, regardless of whether they are at home or abroad.

**Home Country Defined** – If the employee is a US citizen, his or her Home Country is the United States, regardless of the location of their Principal Residence. If an employee is a non-US citizen, his or her Home Country is the country where they principally reside and receive regular mail.
